## Summary

I'm a licence certified Medication Aide and very dedicated to the work I do and also certified CNA and have worked in this field for over 15 yrs.

---

## Skills

I Love working in nursing being able to serve people and help them in any form or fashion people I work for always say I'M dependable and honest and kind and they enjoy working with me the patients always enjoy when I offer a hand to them when they need it they always say your so kind and I appreciate you so much I wish we could make 2 of you I reply that's so nice of you saying that

---

## Experience

**MEDICATION AIDE/CNA** | 08/2008 to 02/2011

**Nexium Health and Rehab - Duncanville, Tx**

I worked PRN when ever they needed me worked as a Medication aide passing meds to the residents in the nursing home and other times I worked as a CNA giving care to the resident in the nursing helping them get up for Breakfast or Dinner depending on what shift I worked help with grooming bathing feeding passing snacks

**PCT** | 03/2011 to 01/2012

**General Hospital - Dallas , Tx**

I worked as a PCT in the hospital taking vital signs bloodsugar doing there weight height checking bloodpressures and helping them when needed like showering them or bed bathes going to the Lab to take blood samples stool until they closed down

**CMA/CNA** | 02/2014 to 12/2017

**Renaissance Healthcare and Rehabilitation Center - Dallas , Tx**

I worked as a Medication Aide passing meds to residents in a nursing home and I worked over on 2pm to 10pm as a CNA sometimes when they were short of help getting patients up in the evening for Dinner Bathing the resident that needed a shower on there specific days feeding tube patients or in the Dinning Hall feeding patients there putting patients to bed at night

**CERTIFIED MEDICATION AIDE** | 12/2017 to Current

**Matlock Place Health & Rehabilitation - Arlington, TX**

I'M responsible for passing meds to the residents at the nursing home and I pass snacks to patients that are losing weight reorder meds for the resident make sure our cart are up to standard by the State Laws clean the carts make sure the water and puddings and apple sauses on the carts are dated and labled for that day

## Education and Training

**Southwood High School - Shreveport, LA | High School Diploma**

Science, 1982

I was very active in school I was in Band, Danceline, ROTC, Future Teachers of America, and had all my credits and didn't have to attend school but I got in a class to help you get parttime jobs.
