### **WHERE I'VE BEEN (Past Job Experience)**

**1999-2015 US ARMY (Healthcare Manager):** I served as a Manager of a Medical Recruiting Station; supervising 10 soldiers and 1 civilian in an area covering 144,000 square miles; responsible for 8 government vehicles and equipment valued in at 500k; responsible for all administrative, logistical and maintenance requirements.

### **WHY I WANT TO BE HERE (Personal Statement)**

Nursing has always been a passion for me even as a soldier. Now I have the opportunity to continue serving in a different capacity. Utilizing my communication skills and clinical skill set as a nurse. I am enthusiastic about helping and caring for those who are in need, while providing quality care.

### **HOW I CAN ADD VALUE (Talent/Character Skills)**

I will bring a determined work ethic and energy to everything I do. I understand the importance of details and listening not only to patients as well as members of the healthcare team.

### **WHO I KNOW (Referrals/ Recommendations)**

**Billy E. Hutchison EdD, MSN, RN (West Coast University-Dallas):** I have known Billy Hutchison for the past three years. He has become a mentor for me as a Sr. Nurse. Billy has always pushed and challenged me from the moment I showed interest in becoming a nurse. As well as encouraging me to continue furthering my education.

**Endorsement (from Billy Hutchison):** Ervin possesses excellent people skills and is readily recognized as having excelling professional skills among his peers. His ability to manage and organize his skill set and applying the learning concepts in real time are exceptional.
