Additional Information

I am a strong candidate for this job because I have a proven track record of performing all types of personal care activities such as dressing, bathing, toileting, feeding, moving patients to and from bed and wheelchairs, and assisting them in rehabilitative exercises. I am also adept at taking and documenting vital signs, weights, intake and output as delegated per facility protocols. In addition, I have a demonstrated ability to prepare and serve meals, assist patients with eating and accompany them on appointments and visits. My enclosed resume will provide you with a complete snapshot of my talents which will be beneficial for your facility.
