EXPERIENCE

Alliance Health, Durant, OK - Admit/ Unit Clerk

April 2015 - PRESENT

- I worked in both the ED and women's center.
- My job requires me to assess if patient was emergent, admit patient and gather information to give report to primary nurse, general patient care, knowledge of insurance requirements and working closely with nurses, doctors, and other hospital staff.

Christ for the Nations, Dallas, TX - Admissions Advisor

September 2012- January 2014

- Responsibilities include remaining in close contact with both domestic and international students, communicating vital and timely information.
- Part of my job required me to solve problems related to unique situations, work with other departments to insure the success of the student, as well as promotion of the school that sometimes involved travel.

Private Employer, Grand Prairie, TX - Caregiver

July 2010- February 2011

- Daily care for a bed bound, patient who was paralyzed but able to speak. .
- Care included: bathing, oral care, using lift to move patient, food and med administration through tube, some daily therapy, meeting general needs of patient.

EDUCATION

Grayson College, Denison, TX - *Associate Degree in Nursing*

May 2016- December 2018

- I am planing on continuing my education and earning my bachelors after I graduate.

Misc.

For two years I lived in Honduras doing missions work. I helped coordinate and translate for American teams that would come to work work with us for a week, as well as other duties.
