I am an entry level cement mason and plasterer. I have experience in welding, carpentry, bricklaying, painting and management. I have experience in driving a skid steer loader like a bobcat. I also have many certifications and licenses that would include OSHA 10, Green Building Construction, Microsoft Office, and CPR/First-Aid Authorized to work in the US for any employer

### WORK EXPERIENCE

#### **Cement Mason**

McKinney Housing Authority - McKinney, TX - October 2015 to January 2016

##### Responsibilities

Managed and Supervised 4 lower ranking cement masons.

Extracted old and damaged concrete.

Set wooden forms to level and grade.

Install and Tie Rebar Structure.

Pour Cement

Finish Cement

Trowel and Stamp when finished.

##### Accomplishments

Working here assisted me in further developing my skills as a cement mason and getting to know more about how actual construction jobs are operated.

### EDUCATION

#### **Diploma in General Studies**

Cedar Hill High School - Cedar Hill, TX

2013 to 2015

### CERTIFICATIONS

#### **Cement Masonry and Plastering**

February 2016 to Present

I was awarded this certification at North Texas Job Corps for completing the Cement Masonry Trade.
